Struggles come into everyone's life, but it is these very struggles that shape our direction. Such is the inspiring journey of Sameer Somwanshi, whose life took a significant turn at the young age of sixteen. At an age when most youngsters are still exploring their dreams and future, Sameer was compelled to shoulder the entire responsibility of his family. This became the turning point that led him to establish *Shri Sadguru Yatra Company*—a decision that not only transformed his own life but also became a foundation of faith for thousands of devotees.

The early days were filled with hardship. He had limited experience, scarce resources, and the biggest challenge of all—winning people's trust. Each day brought new efforts and new obstacles. Yet, one belief always remained firm in Sameer's heart: *"Service is worship, and faith is strength."* It was this spirit that gave him the courage to face every difficulty.

Over time, he realized that the true pillars of success are hard work, honesty, and the desire to serve. He never treated any pilgrimage as a business venture; instead, he saw it as a sacred responsibility. During pilgrimages, he would personally support elderly travelers, guide them to temples, take care of their needs, and the satisfaction on their faces became his greatest reward.

Throughout his 17-year journey, accompanying thousands of travelers has given him deep life experience. Some people guided him, some inspired him, and some situations challenged him—but each experience strengthened him further. Amid struggles, financial ups and downs, and rising competition, he built his company into a trusted name. Today, *Shri Sadguru Yatra Company* is not merely an organization; it has become a symbol of faith and devotion for countless devotees.

For Sameer Somwanshi, this journey is not just a business—it is a spiritual practice. His unwavering devotion to Lord Mahadev and his commitment to serving pilgrims form the core of his work. He believes that making every journey safe, devotional, and memorable is his highest duty. Looking ahead, he continues to work toward making his services more organized, safe, and equipped with modern facilities.

In recognition of his dedicated service and persistent efforts, he has been selected for the prestigious *"Maharashtra Business Icon 2025 / Maharashtra Style Icon 2025 / Maharashtra Fashion Icon 2025"* awards, organized by Reseal.in and India Fashion Icon Magazine. This honor acknowledges his service-oriented approach, hard work, and contribution to society.

The grand ceremony will soon be held with the presence of celebrated film actresses—Ms. Varsha Usgaonkar, Ms. Sonali Kulkarni, and Ms. Prarthana Behere—as chief guests, adding even more prestige to the event. This distinguished

program is being organized under the guidance of Mr. Sudhir Kumar Pathade, Founder and CEO of Reseal.in (Sure Me Multipurpose Pvt. Ltd.).

Sameer Somwanshi's journey is a remarkable blend of struggle, service, faith, and spirituality. With unwavering dedication, he continues to serve pilgrims with devotion and integrity through *Shri Sadguru Yatra Company*—this is his vow, and this is his purpose in life.
