

## Lifeline Computers: Dnyandev Khairnar's Trusted Tech Hub in Nashik

Published on 02 Dec 2025 | By IFI Correspondent

In an era where technical skills define career success, **Lifeline Computers**, founded and managed by **Dnyandev Balkrishna Khairnar**, stands as one of Nashik's most trusted and impactful AutoCAD training institutes. With a mission to develop skilled and competent design professionals, the institute has become a guiding force for students seeking careers in engineering design, architecture, industrial drafting, and more.

### A Hub of Professional AutoCAD Training

Lifeline Computers specializes in providing **industry-oriented AutoCAD training**, blending theoretical concepts with hands-on practice. Under the leadership of Dnyandev Khairnar, the institute ensures that students learn the software in a practical, result-driven manner—making them job-ready from day one.

The curriculum covers 2D Drafting, 3D Modeling, layout planning, sectional drawing, and advanced rendering techniques. Each student receives personalized guidance to help them master both basic and complex design structures.

### Building Skilled Designers for a Growing Industry

The institute is known for transforming fresh learners into confident professionals. With a strong focus on clarity, precision, and creativity, students trained at Lifeline Computers become valuable assets for engineering firms, construction companies, manufacturing units, and architectural consultancies.

Dnyandev Khairnar's dedication to providing affordable, quality training has helped hundreds of students secure placement opportunities and advance their technical careers.

### Trusted by Students & Professionals Across Nashik

Lifeline Computers continues to attract aspiring draughtsmen, engineering students, and working professionals who want to upgrade their design skills. The institute's reputation for disciplined training, supportive mentoring, and strong technical foundations sets it apart as a leading name in Nashik.
