## Shilpa Shetty Elevates Festive Fashion With Saree–Jacket Twist

Published on 02 Dec 2025 | By IFI Correspondent

Shilpa Shetty has once again taken center stage in the fashion world, unveiling a striking saree–jacket fusion look that has quickly become the season’s most talked-about festive trend. Known for her experimental approach to Indian wear, Shilpa’s latest ensemble blends bold craftsmanship with a sharp contemporary edge.

### Styling

Shilpa’s makeup played a crucial role in balancing the drama of the structured jacket and draped saree. She chose a **soft-sculpted base**, giving her skin a natural yet luminous finish. The contour was strategically placed to highlight her sharp cheekbones, giving her face a sculpted and lifted effect.

Her makeup artist opted for **warm-toned highlights**, creating a golden glow that complemented the metallic accents of her outfit. The subtle luminosity added depth without overpowering the strong fashion statement.

### Sleek Hairstyling and Muted Makeup

Her hairstyle was kept **straight, sleek, and polished**, allowing the jacket’s structured shoulders and the drape of the saree to remain the visual focus. The center-parting added symmetry and modernity, aligning with the fusion aesthetic of her outfit.

The length and shine of her hair framed her face beautifully, enhancing the overall glam without competing with the fashion elements. To maintain harmony in the overall glam, Shilpa chose a **soft nude lip** with hints of pink and brown undertones. This choice kept the attention on her eyes and outfit while still adding sophistication. The matte-satin finish of the lipstick offered freshness and wearability, perfect for a festive event.
