

## Rosso Brunello Opens Stylish New Flagship in Delhi

Published on 05 Dec 2025 | By IFI Correspondent

Rosso Brunello, the leather footwear and accessories brand known for blending Italian-inspired craftsmanship with contemporary style, has opened a new store in Delhi. The new address—at Unity One Elegante in North Delhi — marks its continued retail expansion.

According to the brand, this store aims to offer “everyday elegance” to fashion-conscious customers who value comfort, quality, and refined design.

### A Store Designed for Style & Comfort

From the moment customers step in, they are greeted by a store ambiance that reflects Rosso Brunello’s aesthetic — warm lighting, clean architectural lines, and natural-texture surfaces creating an inviting environment.

Inside, the store showcases a curated selection of the brand’s best-loved collections: classic leather footwear for men and women, contemporary accessories, and the “Rosso Comfort” line known for comfort without compromising style.

Whether one is looking for sleek loafers for work, heeled sandals for an evening out, or versatile everyday shoes, the store offers pieces designed for both elegance and practicality.

### The Brand’s Vision

Sahil Malik, Managing Director of Rosso Brunello, commented: “North Delhi has always had an incredible sense of style. Opening at Unity One Elegante lets us be closer to a community that appreciates design, quality, and ease — values that define our brand.”

With this store, Rosso Brunello reaffirms its belief that modern luxury lies not in ostentation, but in subtlety — thoughtfully crafted pieces, understated silhouettes, and the simple pleasure of wearing something comfortable yet chic.

With its newest address in North Delhi, Rosso Brunello invites patrons to experience “everyday luxury.” The brand envisions a shopping space where discerning taste, comfort, and subtle sophistication are accessible — one stylish step at a time.
