

Ananya Panday Makes a Statement in ₹10 Lakh Chanel Couture Ensemble

Published on 17 Dec 2025 | By IFI Correspondent

Bollywood actor Ananya Panday once again proved her growing fashion prowess as she stepped out in an exquisite Chanel couture ensemble valued at approximately ₹10 lakh. Known for her effortless blend of youthful charm and high-fashion sensibility, Ananya's latest appearance reaffirmed her status as one of the most stylish Gen-Z icons in Indian cinema.

The actor chose a striking black Chanel couture look that stood out for its sculptural silhouette and dramatic detailing. The ensemble reflected the French luxury house's signature craftsmanship, combining timeless elegance with bold, modern structure. The outfit's architectural design added a sense of high drama while maintaining the understated sophistication Chanel is celebrated for.

Styled with minimal yet impactful accessories, Ananya allowed the couture piece to take centre stage. Her beauty look complemented the outfit perfectly, featuring refined makeup and sleek hair that enhanced the overall aesthetic without overpowering the couture statement.

Fashion critics and fans alike were quick to praise the look, with many highlighting how Ananya continues to experiment with luxury fashion while staying true to her personal style. From red carpet appearances to couture moments, the actor has steadily built a reputation for making confident and contemporary fashion choices.

Ananya Panday's Chanel couture moment not only underscores her evolving style journey but also reflects Bollywood's growing presence on the global luxury fashion radar. With every such appearance, she continues to bridge the gap between international couture and Indian celebrity fashion, making high-end style aspirational yet relatable for a new generation of fashion enthusiasts.
