Socialite and style icon **Shalini Passi** created a major fashion moment on the red carpet of the **Filmfare OTT Awards 2025** in Mumbai, drawing attention not just for her elegant attire but also for an exquisite accessory that quickly became the talk of the evening.

Passi stepped out in a **crystal-embellished white gown by Jenny Packham**, characterised by a delicate silhouette and a sheer, embellished cape that added ethereal drama to her look. Complementing the couture creation was an eye-catching **Judith Leiber Couture polar bear clutch**, known for its whimsical artistry and luxury craftsmanship. Valued at approximately **₹4,99,000**, the clutch features a hand-sculpted silver-tone crystal design of a dapper polar bear — complete with a top hat and bow tie — making it more of a wearable piece of art than a simple accessory.

Passi accentuated the ensemble with sparkling diamond jewellery and understated makeup, letting the bold accessory take centre stage. Her red-carpet appearance not only highlighted her affinity for luxurious, statement-making pieces but also demonstrated her knack for blending classic elegance with playful fashion elements.

The Filmfare OTT Awards 2025 saw many celebrities turning out in standout styles, but Passi's couture choice and the distinctive polar bear minaudière swiftly became one of the most talked-about fashion highlights of the night.

Fashion enthusiasts and fans alike praised the look on social media, with many appreciating the boldness of pairing a couture gown with such a whimsical yet high-end accessory. Passi's red-carpet moment reaffirmed her influence as a trendsetter who isn't afraid to make bold fashion choices
