

Harnaaz Sandhu Shines at Miss Cosmo International 2025

Published on 19 Dec 2025 | By IFI Correspondent

Former **Miss Universe 2021**, **Harnaaz Sandhu**, continued to make waves on the international stage as she served on the **jury panel** of **Miss Cosmo International 2025** in **Ho Chi Minh City, Vietnam**. Her presence marked her **second consecutive year** at the prestigious global pageant, held ahead of the **grand finale on December 20, 2025**.

Dazzling Gown Steals the Show

Sandhu turned heads in a *striking gold-and-orange evening gown* that blended **sheer elements with shimmering sequins**. The **halter-neck silhouette** featured a plunging neckline, delicate see-through panels and a bold **thigh-high slit**, adding elegance and drama to her runway look.

Her glamorous styling — including flowing hair and radiant makeup — accentuated the outfit's allure, making it one of the most talked-about fashion moments of the event.

Grace Under Pressure

During the jury session runway walk, Harnaaz experienced a brief moment of imbalance when her heel caught on the hem of her gown. However, she recovered with poise and confidence, continuing her walk while engaging with the audience — a gesture that earned praise for her professionalism and grace under pressure.

Sharing the experience on her **Instagram**, she quoted former Miss Universe Organization president Paula Shugart: *"It's not about the fall, it's how you get up,"* resonating with fans and followers who applauded her resilience.

A Global Pageant Presence

Sandhu's role at Miss Cosmo International highlights her growing influence beyond film and fashion, reinforcing her status as a respected figure in the global pageantry circuit. Alongside fellow judges including **Olivia Yacé** — a former Miss Universe Africa and Oceania — Sandhu's participation adds star quality and insight to the competition's evaluation process.

As the event builds toward its finale, Harnaaz Sandhu's dazzling fashion moment and confident runway presence continue to captivate audiences worldwide.
