

Sonam Bajwa's Stuns In Soft Gold Anarkali

Published on 23 Dec 2025 | By IFI Correspondent

Punjabi film star and style icon **Sonam Bajwa** has once again captured the fashion spotlight with her latest look — a *soft gold Anarkali* that radiates subtle sophistication and effortless elegance. The ensemble, which blends traditional Indian fashion with a refined aesthetic, has been widely praised for its understated charm and timeless appeal.

Known for her confident presence on and off the red carpet, Bajwa's style continues to resonate with fans and fashion watchers alike, reinforcing her reputation as one of the most stylish figures in contemporary Indian cinema.

Quiet Elegance Meets Modern Tradition

Unlike heavily embellished festive costumes, Bajwa's soft gold Anarkali emphasises *quiet elegance* — a balance of simplicity and grace that feels both wearable and visually striking. The choice of soft metallic tones and fluid silhouette allows the outfit to shine without overpowering the wearer, making it ideal for both formal gatherings and celebratory moments.

This look highlights how traditional Indian wear can be refreshed for a *modern wardrobe*, focusing on comfort and accessible glamour rather than ornate detailing.

Style That Resonates

Bajwa's fashion influence extends beyond film roles; her wardrobe choices — from textured ethnic wear to contemporary day looks — inspire many fashion enthusiasts across India. Whether spotted in delicate pastels, bold prints or sleek silhouettes, she's known for making even classic styles feel current and effortlessly chic.
