Published on 26 Dec 2025 | By IFI Correspondent

For over **25 years**, **Mohan Bhagwat Rane** has been a pioneering force in computer education in Nagpur, Maharashtra. From humble beginnings with just **three computers**, he established **Mega Soft Technologies**, now equipped with **over 70 upgraded laptops**, providing computer training, software education, and placement services to thousands of students across the region.

Leadership and Vision

Mr. Rane has held pivotal roles in shaping technical education in Maharashtra. He has served as **President of Nagpur Technical Education Society** and as the **Examination Controller of Maharashtra Computer and Technical Education Council**, where he contributed significantly to standardizing and expanding computer training programs.

Mega Soft Technologies: Growth and Impact

Founded by Mr. Rane, **Mega Soft Technologies** has grown from a small training center to a major hub for technology education. Beyond conventional training, Mega Soft has actively focused on **social impact initiatives**, conducting awareness programs in **over 100 schools in Nagpur** through an NGO, providing **scholarships to over 5,000 students from SC, ST, and OBC categories**, and offering **free computer training to 1,500 students below the poverty line (BPL)**.

The institute continues to empower students not only with technical skills but also with career opportunities through **placement services**, ensuring that its trainees are industry-ready.

Recognition and Awards

Mr. Rane and Mega Soft Technologies have earned widespread recognition for their contribution to education and technology:

- **Nine awards from MKCL (Maharashtra Knowledge Corporation Limited)**
- **Two awards from Maharashtra Board**
- **One award from Bharati Vidyapeeth, New Delhi**
- **Two awards from the Central Government**

In addition, Mr. Rane was **conferred a Doctorate in Computer Science** by **American International University** in January 2025, recognized through the **Central Government**, marking a prestigious milestone in his career.

Legacy of Empowerment

Through persistent dedication and vision, Mohan Bhagwat Rane has created a legacy of **accessible, quality computer education** in Nagpur. His work has not only bridged the digital divide but also **empowered thousands of students from marginalized communities**, equipping them with the tools to succeed in the modern workforce.

From three computers to a state-of-the-art training facility, Mega Soft Technologies stands as a testament to Mr. Rane's **commitment to education, social responsibility, and technological empowerment.**
