

Shirodkar Computers Marks 20 Years of Empowering Digital Careers in Mumbai

Published on 26 Dec 2025 | By IFI Correspondent

In the era of digital transformation, computer education is no longer an added qualification but a fundamental requirement for success across all sectors. Recognising this need early, Mumbai-based **Shirodkar Computers** has built a strong and trusted legacy of over 20 years in the field of computer education.

Under the leadership of **Sushant Subhash Shirodkar, Founder and Director**, Shirodkar Computers has grown beyond being a training institute to become a foundation for digital futures for thousands of students.

Two Decades of Trust and Excellence

The institute's biggest strength lies in its sustained presence of more than two decades—an achievement that reflects quality education, transparency, and a deep commitment to student success. Over the years, Shirodkar Computers has continuously updated its curriculum, evolving from traditional computer training to advanced, future-ready technologies.

Authorised MKCL Learning Centre

Shirodkar Computers is a proud **authorised learning centre of Maharashtra Knowledge Corporation Limited (MKCL)**. Courses conducted under MKCL are widely recognised across Maharashtra and India, offering students certified credentials along with improved employment prospects. From the popular **MS-CIT** programme to advanced technology-driven courses, the institute focuses on structured, certified and result-oriented education.

Industry-Relevant and Job-Ready Courses

The courses at Shirodkar Computers are designed to go beyond theory, enabling students to apply their learning directly in real-world work environments. Key programmes offered include:

- MS-CIT
- MS Office
- Advanced Excel with AI
- Advanced Tally
- SAP Training
- Data Analysis
- Artificial Intelligence & Machine Learning

- Graphic Design and DTP

These courses open career pathways in IT, accounting, corporate services, finance, design, and data analytics.

Preparing Students for Future Technologies

With rising demand for skills such as **Artificial Intelligence, Machine Learning and Data Analysis**, Shirodkar Computers has proactively integrated future-focused learning into its offerings. Courses like **Advanced Excel with AI** equip students with smart working methods, automation skills and data-driven decision-making abilities.

Focus on Holistic Development for Children

The institute also places special emphasis on children's overall development. Programmes such as **Abacus** and **Handwriting Improvement** help enhance concentration, numerical ability and self-confidence, strengthening students' academic foundations from an early age.

Discipline, Quality and Personal Guidance

Discipline, punctuality and quality form the core of Shirodkar Computers' teaching philosophy. Experienced trainers, personalised guidance and regular assessments ensure that every student gets an opportunity to learn according to their individual potential and become self-reliant.

A Trusted Name in Mumbai's Education Landscape

Located in Mumbai, Shirodkar Computers has emerged as a trusted name in professional education. The institute not only prepares students for employment but also helps create digitally empowered and responsible citizens.

Selected for Maharashtra's Prestigious Awards

Recognizing his dedication and achievements, he has been selected for the prestigious "**Maharashtra Business Icon 2025 / Maharashtra Style Icon 2025 / Maharashtra Fashion Icon 2025**" awards.

This honour is being presented by **Reseal.in and India Fashion Icon Magazine**, celebrating Maharashtra's emerging entrepreneurs and artists.

The selection marks a proud moment not only for him but also for the entire region.
