

## Golden Hour Glam: Natasa's Statement Couture Look

Published on 29 Dec 2025 | By IFI Correspondent

Actress and style influencer **Natasa Stankovic** turned heads with a striking fashion moment that's quickly becoming one of the most talked-about celebrity looks of the season. Recently spotted in a **couture ensemble designed by Abu Jani & Sandeep Khosla**, Stankovic embraced the *golden hour* aesthetic — proving once again that subtle elegance paired with bold craftsmanship can make a lasting sartorial impact.

### A Statement in Sunset Hues

The outfit centred around a **rustic brown lehenga and a statement couture cape** that beautifully captured the warm tones of the setting sun. Designed by the celebrated duo **Abu Jani & Sandeep Khosla**, the piece fused heritage mirror work with contemporary fashion sensibilities — a signature approach of the label known for blending **Indian craftsmanship with modern silhouettes**.

Stankovic's styling was deliberately minimalist, allowing the **texture, craftsmanship, and silhouette** of the couture design to take centre stage. With sleek hair and soft, warm makeup enhancing her features, the overall look exuded confidence and grace without overshadowing the couture focal point.

### Why This Look Matters

Fashion insiders have praised the ensemble not just for its visual appeal but for its storytelling quality — where colour, fabric, and design converge to reflect mood and moment. The *golden hour* theme brought out the richness in the couture's warm palette, creating a visual harmony between setting and style.

Abu Jani & Sandeep Khosla's creations continue to resonate in celebrity circles and fashion commentary for their ability to **combine tradition with avant-garde expression**, reinforcing why the designers remain stalwarts of Indian couture.

Their craftsmanship often shines when paired with high-profile personalities who bring narrative depth to fashion moments — and Natasa's latest appearance is no exception.
