

Rural Transformation Champion: Dr. Rameshwar Chavan's Success Story

Published on 02 Jan 2026 | By IFI Correspondent

Born and raised in the underdeveloped village of Jategaon, **Dr. Chavan Rameshwar Haribhau** witnessed firsthand the hardships faced by his community, predominantly sugarcane laborers with limited access to healthcare, education, and basic facilities. Despite the village lacking telecommunication, electricity, clean water, and connectivity, Dr. Chavan chose to dedicate his medical expertise to his native area, establishing **Sanjivani Hospital** in the loving memory of his mother.

Serving the Rural Community

From the beginning, Dr. Chavan provided **free or credit-based medical services** to the poor, never turning away a patient due to financial constraints. Offering **door-to-door emergency care** and visiting remote areas, he became a respected family physician while understanding the deeper socio-economic challenges affecting his community.

Realizing that poor economic, educational, and social conditions limited the growth of his village, Dr. Chavan concluded that **education was the key to transforming society**.

Building a Foundation in Education

Driven by this vision, he established **Sanjivani English School** in Jategaon, aimed at providing **quality education to underprivileged children**. The school received overwhelming support and led to the founding of **Yamadevi English School** in Talkhed village, Majalgaon tehsil. Recognizing the need for higher secondary education, he further established **Yashraj Public School and Junior College**, offering free education to children of poor sugarcane workers. Today, these institutions are nurturing **650 students**, guiding them toward competitive exams, professional careers, and ethical, value-based living.

Empowering the Rural Economy

Dr. Chavan's vision extended beyond education. To improve the economic status of his community, he established two financial institutions:

- **Yamai Multiple Nidhi Ltd., Jategaon**
- **Yamai Women's Urban Co-operative Credit Society, Gevrai**

These institutions provide **immediate financial assistance, loans for education, business, agriculture, and self-help groups**, and have become pivotal to the local rural economy. With **7.5 crore in deposits, 6 crore in loans**

disbursed, and 4,200 satisfied account holders, they have achieved a **98% recovery rate** in a short span, earning the trust of the community.

Tackling Social Challenges

Identifying **alcohol addiction** as a pressing social issue, Dr. Chavan founded the **Sanjivani De-addiction Center** in Jategaon. Thousands of patients have benefitted, bringing positive social change to the rural demography.

A Collaborative Effort

Dr. Chavan credits much of his success to his wife, **Dr. Archana Chavan**, along with family, friends, and villagers. Their support was instrumental in transforming his vision into reality, turning a modest medical practice into a network of **hospitals, schools, de-addiction centers, and financial institutions**.

A Vision Realized

Looking back, Dr. Chavan reflects on a journey from a **family physician to a rural entrepreneur and social changemaker**. The small initiatives he planted have grown into a **banyan tree of education, healthcare, and economic empowerment**, positively impacting thousands of lives in Beed district.

Institutions Established by Dr. Chavan Rameshwar Haribhau:

- **Yamai Women's Urban Co-operative Credit Society, Georai**
- **Yamai Multiple Nidhi Ltd., Jategaon**
- **Sanjivani Hospital, Jategaon**
- **Sanjivani De-addiction Center, Jategaon**
- **Sanjivani English School, Jategaon**
- **Yashraj Public School and Junior College, Jategaon**
- **Yamadevi English School, Talkhed, Majalgaon, Beed**

Through tireless effort, vision, and commitment to social good, **Dr. Chavan Rameshwar Haribhau** has become a beacon of hope for rural development, education, healthcare, and financial empowerment.
