

Dr Swapnil Duddalwar: Advancing Ayurveda Through Research, Service, and Innovation

Published on 09 Jan 2026 | By IFI Correspondent

With deep respect for the guru–shishya tradition and a strong research-oriented mindset, **Dr Swapnil Duddalwar** has emerged as one of the leading names in modern Ayurvedic super speciality care. Through his institution, **Shree Vishwashiv Ayurvediya Super Speciality Hospital, Panchakarma and Research Centre**, he has successfully combined classical Ayurveda with innovation, service, and scientific research.

Strong Academic Foundation in Ayurveda and Yoga

After completing his undergraduate medical education, Dr Duddalwar pursued advanced training in **Yoga and Ayurveda at Patanjali Yogpeeth, Haridwar, in 2007**. He further strengthened his expertise by completing **postgraduate training at Tilak Ayurved College, Pune**, and additional Ayurvedic training through **Maharashtra University of Health Sciences (Nashik)**.

Dr Duddalwar also trained under the traditional **guru–shishya parampara**, learning directly from renowned Ayurvedic scholar **Vaidya Samir Jamdagni**, which deeply shaped his clinical approach.

Establishment of Shree Vishwashiv Ayurvediya Hospital

In **2011**, Dr Duddalwar founded **Shree Vishwashiv Ayurvediya Super Speciality Hospital, Panchakarma and Research Centre**. The journey began humbly in **Nanded**, with a **20x20 sq. ft. OPD**, but a strong vision and patient trust soon transformed it into a full-fledged Ayurvedic hospital.

Today, the Nanded facility includes a **30-bed inpatient department** supported by a **five-member team of Ayurvedic doctors**, offering comprehensive super speciality care.

Expansion Across Multiple Cities

Due to growing demand and successful treatment outcomes, Dr Duddalwar expanded his services to several cities, including **Mumbai, Pune, Latur, Gulbarga, Bidar, Hyderabad, and Nagpur**, making specialized Ayurvedic healthcare accessible to a wider population.

Expertise in Treating Complex Diseases Without Surgery

Over the past **15 years**, Dr Duddalwar has developed and applied effective Ayurvedic treatment protocols for a wide range of serious and chronic conditions, including:

- Various types of **cancer**

- **Spinal disorders** without surgery

- **Heart and liver diseases**
- **Brain and neurological disorders**
- **Female and male infertility**
- **Thyroid disorders and hormonal imbalances**
- Digestive diseases, piles, joint disorders, and gynecological conditions

His non-surgical Ayurvedic therapies have helped many patients avoid procedures such as spinal surgery, hysterectomy, and cardiac interventions, earning him widespread recognition.

Research-Based Ayurvedic Medicine Development

With a strong inclination toward research, Dr Duddalwar personally develops **innovative Ayurvedic formulations**, focusing on effectiveness, safety, and long-term healing. His medicines are widely used across his hospital network and associated treatment centers.

Service During the COVID-19 Pandemic

During the COVID-19 crisis, Dr Duddalwar played a vital role by supplying **free Ayurvedic medicines** at multiple locations. Several hospitals reported that patients benefited significantly from the Ayurvedic treatments he provided, helping save lives during the pandemic.

National Presence and Social Commitment

Dr Duddalwar has served as a **Special Ayurvedic Consultant at Patanjali Yogpeeth, Haridwar**, and worked as an **Assistant Physician at Nargis Dutt Cancer Hospital, Barshi**, visiting every third Saturday of the month.

Under the **Shri Vishwanath Maharaj Rukdikhar Trust**, he continues to provide **free Ayurvedic treatment to 400–500 patients**. He also serves as the **Chief Physician at monthly camps in Narsi Namdev (Hingoli district)**, held on every Ekadashi.
