

Powering Growth: The Journey of Dhiraj Lanjewar

Published on 13 Jan 2026 | By IFI Correspondent

Success in India's competitive electrical engineering sector demands not only technical expertise but also vision, discipline, and relentless perseverance. One such inspiring journey is that of **Mr. Dhiraj Dilip Lanjewar**, founder and proprietor of **M/s. Highwork Electrical System**, a rapidly growing electrical engineering firm based in **Amravati, Maharashtra**.

Humble Beginnings with Strong Technical Roots

Mr. Dhiraj Lanjewar began his professional journey as a **trainee engineer** in the electrical field. During his early career, he gained hands-on exposure to **panel design, wiring, testing, power systems, and industrial automation**. These formative years helped him develop a deep technical understanding and problem-solving ability, laying a strong foundation for entrepreneurship.

Birth of Highwork Electrical System

With a clear vision and confidence in his skills, Mr. Lanjewar established **Highwork Electrical System** in **March 2019**, officially obtaining **GST registration on 12-03-2019**. Started as a **proprietorship firm**, the company focused on delivering reliable, safe, and compliant electrical panel solutions to industrial clients.

Operating from **Revsa, Amravati (Gat No. 307, Plot No. 117, Survey No. 96)**, the firm began with limited resources but an uncompromising commitment to quality.

Specialization in Electrical Panels & Automation

M/s. Highwork Electrical System specializes in the **manufacturing, testing, and automation of electrical panels**, including:

- Quality Control Panels
- MCC (Motor Control Center) Panels
- PCC (Power Control Center) Panels
- APFC Panels
- VFD Panels
- Starter Panels
- Feeder Pillars

- LT Distribution Panels
- Meter Panels

With a skilled workforce of **up to 10 employees**, the company serves a wide range of **industrial clients**, ensuring adherence to safety standards, performance reliability, and regulatory compliance.

Rapid Growth Through Quality and Trust

Under Mr. Lanjewar's leadership, the company witnessed steady growth. Starting with local projects, Highwork Electrical System soon began receiving **consistent orders** for panel manufacturing and automation solutions.

Key growth drivers included:

- Timely project execution
- Strong client relationships
- High-quality workmanship
- Technical precision and reliability

These factors led to repeat business and a growing reputation within the industrial sector.

Achieving the ₹1 Crore Turnover Milestone

By **2025–2026**, M/s. Highwork Electrical System achieved an impressive **annual turnover of approximately ₹1 crore**—a remarkable milestone for a firm that began just a few years earlier with modest means.

This achievement stands as a testament to **entrepreneurial vision, disciplined execution, and technical excellence**.

An Inspiration in Amravati's Industrial Landscape

The success of **Dhiraj Dilip Lanjewar** highlights how determination, hands-on expertise, and a quality-first approach can build a sustainable and scalable enterprise. M/s. Highwork Electrical System today stands as an inspiring example of **self-made growth** within **Amravati's evolving industrial ecosystem**.

As India's demand for reliable electrical infrastructure continues to grow, Highwork Electrical System is well-positioned to expand further—powered by experience, innovation, and trust.

Selected for Maharashtra's Prestigious Awards

Recognizing his dedication and achievements, he has been selected for the prestigious "**Maharashtra Business Icon 2025 / Maharashtra Style Icon 2025 / Maharashtra Fashion Icon 2025**" awards.

This honour is being presented by **Reseal.in and India Fashion Icon Magazine**, celebrating Maharashtra's emerging entrepreneurs and artists.
