Published on 13 Jan 2026 | By IFI Correspondent

A proud milestone has been added to the educational legacy of Nashik, a city widely regarded as a hub of academic excellence. **Growth Academy Nashik**, founded and led by **Prof. Jagdish Patel, Prof. Vishvajeet Rajput, Prof. Piyush Patil, and Prof. Darshan Kasar**, has been honoured with the prestigious ‘**Maharashtra Business Icon 2026**’ Award, marking a significant achievement in the state’s education sector.

This recognition stands as a testament to the founders’ shared vision of delivering **quality, result-oriented education to Class 11 and 12 Science students**, while shaping thousands of academic futures with dedication and integrity.

### Building a New Benchmark in Science Education

In an era where competition in **Engineering and Medical entrance examinations** has intensified, the founders of Growth Academy identified the urgent need for structured, student-centric coaching. With examinations like **JEE, NEET, and MHT-CET** becoming increasingly challenging, the team established Growth Academy as a **reliable and performance-driven academic platform** in Nashik.

Under their leadership, the institute has successfully mentored **over 5,000 students**, many of whom have secured admissions in reputed engineering and medical colleges across the country.

### Why the Maharashtra Business Icon Award Matters

The **Maharashtra Business Icon Award** is not merely a symbol of commercial success—it recognises institutions that create **meaningful impact** in their respective sectors. Growth Academy’s selection was driven by its **innovative teaching methods, expert faculty guidance, disciplined academic planning, and consistent results**.

Since the announcement, the achievement has drawn widespread appreciation from students, parents, and education stakeholders across Nashik and neighbouring regions.

### Strong Foundations Through Focused Teaching

At the core of Growth Academy’s success lies its emphasis on **conceptual clarity and strong foundations** rather than rote learning. The institute offers specialised coaching across key academic and competitive domains:

- **JEE (Main & Advanced):** Emphasis on logical reasoning, problem-solving skills, and intensive practice
- **NEET:** In-depth preparation in Biology, Physics, and Chemistry for medical aspirants

- **MHT-CET:** Strategic training focused on speed, accuracy, and exam-oriented performance
- **HSC Board Exams:** Separate, structured preparation ensuring excellence in state board results alongside competitive exams

### **Limited Batch Size, Maximum Attention**

Unlike conventional coaching centres that accommodate hundreds of students per batch, Growth Academy follows a **strict cap of just 50 students per batch**. This model allows the professors to provide **individual attention**, closely monitor progress, and address each student's academic challenges—an approach that has proven instrumental in consistent success.

### **Expanding Reach with Quality Infrastructure**

To meet growing demand, Growth Academy currently operates **two fully equipped branches in Nashik**. The branch at **Jehan Circle on Gangapur Road** is fitted with modern classrooms and offers a focused, student-friendly learning environment.

### **Trust Earned Through Results**

More than **5,000 students and their families** have placed their trust in Growth Academy over the years. Many alumni are now pursuing education in prestigious institutions or building successful professional careers. This enduring trust played a key role in the academy being honoured with the **Maharashtra Business Icon 2026 Award**.

### **Founders Speak: A Shared Responsibility**

While accepting the award, the founding professors—**Prof. Jagdish Patel, Prof. Vishvajeet Rajput, Prof. Piyush Patil, and Prof. Darshan Kasar**—shared a unified message:
