In today's fast-moving world, where stress, uncertainty, and emotional struggles have become a part of everyday life, few people dedicate themselves to guiding others toward clarity and hope. **Priyanka Prashant Sakpal**, popularly known as *Tarot Card Reader Priyanka*, is one such inspiring personality who has transformed her spiritual inclination into a mission of helping society.

Originally from **Roha in Raigad district**, the sacred land blessed by Chhatrapati Shivaji Maharaj, Priyanka is currently based in Pune. A **B.Com graduate and Certified Industrial Accountant**, she initially walked the conventional career path. However, her heart always resonated with spirituality and occult sciences—interests she had nurtured since childhood.

The Calling Beyond Numbers

Though trained in accounting, Priyanka felt a deeper purpose calling her. She believes she inherited spiritual abilities from her father, who was well-versed in various mystical sciences. After his passing, she found herself naturally drawn toward Tarot and healing practices.

She completed her **Master's in Tarot Card Reading** and now aspires to pursue a **PhD** in the subject, reflecting her commitment to learning and authenticity.

More Than Predictions

For Priyanka, Tarot is not just about foretelling the future—it is a medium of guidance. Through cards, she helps people understand their past patterns, present challenges, and possible future paths. Her approach combines:

- Tarot Card Reading
- Crystal therapy
- Switchword remedies
- Guardian Angel Healing
- Chakra and aura balancing

These methods, she says, work on the subconscious mind and energy field, bringing mental peace, confidence, and positive transformation when practiced with discipline.

Over the last few years, Priyanka has guided countless individuals dealing with career confusion, relationship issues, delayed marriage, financial stress, and emotional trauma.
