Published on 22 Jan 2026 | By IFI Correspondent

“Karma?y ev?dhik?ras te m? phale?u kad?cana...” — this timeless teaching from the **Bhagavad Gita** emphasizes sincere action without attachment to results. This philosophy of **Karma Yoga** forms the foundation of the personal, professional, and entrepreneurial journey of **Mrs. Aparna Vishal Bhalerao**, founder of **Ascent Coaching Centre**, Pune. Her life reflects disciplined effort, ethical commitment, and an unwavering belief in education as the strongest form of empowerment.

Roots in Education and Values

Mrs. Aparna Vishal Bhalerao was born into an educated middle-class family deeply connected with the education sector. She is the daughter of **Mr. Anant Narayan Khaware** and **Mrs. Annapurna Anant Narayan Khaware**. Across generations, her family members have served education in **Maharashtra, Karnataka, Jharkhand, Delhi**, and even abroad.

Her siblings are well-settled in **London (UK), the United States, Faridabad, Bengaluru, Jharkhand, and Pune**, while her husband **Mr. Vishal Bhalerao**, brother-in-law, and sister-in-law are also highly educated. This environment instilled in her a lifelong belief that **education is an asset no one can take away**.

Academic Excellence and Professional Credentials

Mrs. Bhalerao holds multiple academic qualifications including **DSM, B.Com, M.Com, B.Ed, and MPM**. She is a **Gold Medalist in Marketing**, her name is recorded in the **London Record Book**, and she has received **multiple entrepreneurship awards** for quality service to society.

With over **23 years of experience** spanning **Marketing, Teaching, IT-HR, and Entrepreneurship**, her professional journey reflects depth, adaptability, and leadership.

A Journey Shaped by Resilience

Her career path was not linear. Early academic and financial constraints forced her to restart her education. When her college could not return her certificates due to financial issues, she applied for duplicate certificates through the **Tripura Board** and rebuilt her academic journey from scratch.

She worked in marketing while continuing her studies after moving to **Pune**, learning firsthand the value of time, discipline, family, and perseverance. Throughout this phase, unwavering support from **Mr. Vishal Bhalerao**, who later became her husband, played a pivotal role.

These experiences shaped a core belief:

“We can’t achieve anything without paying a price.”

Teaching, Leadership, and Institutional Experience

After completing graduation and post-graduation, Mrs. Bhalerao worked in **IT-HR**, followed by a strong academic career in **schools and colleges**. She completed her **B.Ed**, later earned **M.Com**, and served in multiple roles including:

- Teacher and Lecturer
- College Coordinator
- Cultural Head
- Curriculum Planner
- Event Manager
- Board Examination Paper Evaluator (for five years)
- Hockey Tournament Management Committee Member (for five years)

Each responsibility strengthened her **communication, leadership, organizational, and mentoring skills**, becoming the foundation of her entrepreneurial vision.

Family Support and Inner Strength

Life brought personal losses with the passing of her parents-in-law within a short span, while her daughter **Tanvi** was still very young. Once again, Mrs. Bhalerao chose education as her anchor.

Strong emotional support from her **mother, siblings, husband, daughter, friends, students, and parents** reinforced her belief that success is never an individual effort—it is built through collective faith and encouragement.

Birth of Ascent Coaching Centre

Driven by a simple yet powerful thought — *“Mujhe kuch karna hai”* — Mrs. Aparna Vishal Bhalerao founded **Ascent Coaching Centre**.

The institution was created with a clear purpose:

to provide **structured, quality education** that goes beyond marks and prepares students for **real-life application**.

The success of Ascent Coaching Centre stands firmly on the guidance of mentors, teachers, family support, and her husband’s constant encouragement.
