

SK Solution Software & Hardware Services Strengthens IT Infrastructure Support

Published on 22 Jan 2026 | By IFI Correspondent

In response to the growing demand for dependable and cost-effective IT infrastructure support, **SK Solution Software & Hardware Services** has officially launched its professional IT service operations in **Mumbai, Maharashtra**. The company is led by **Mr. Ashish Raju More** along with **Mr. Akshay More**, operating under the banner **More N Sons**.

SK Solution aims to bridge the gap between technology needs and practical business solutions by offering comprehensive IT services tailored for both residential and commercial clients.

Wide Range of IT Services Under One Roof

SK Solution Software & Hardware Services provides a complete spectrum of IT solutions designed to support modern digital operations. The company's service portfolio includes:

- **IT Support (Backend & Frontend)**
- **Custom Software Development**
- **Computer Hardware Rental & Annual Maintenance Contracts (AMC)**
- **CCTV Installation and Surveillance Solutions**
- **Networking and Server Setup**
- **Annual Maintenance Contracts for IT Infrastructure**

These services are structured to ensure seamless operations, data security, and system reliability for clients across sectors.

Growing Client Base and Rental IT Solutions

Currently, **4 to 5 companies are actively associated with SK Solution on a rental basis**, where the firm supplies **laptops, desktops, and required software solutions**. This rental model allows businesses to reduce capital expenditure while gaining access to up-to-date technology and professional support.

The company's flexible approach has made it a preferred choice for small and mid-sized organizations seeking scalable IT solutions.

Focus on Quality Service and Customer Satisfaction

At the core of SK Solution's operations is a strong commitment to **quality service, trusted support, and customer satisfaction**. The company emphasizes reliable execution, timely assistance, and transparent pricing—ensuring clients receive **maximum value at a reasonable cost**.

With the guiding message:

“Affordable & reliable IT solutions for homes & businesses”

“Quality service at reasonable price”

SK Solution positions itself as a dependable technology partner rather than just a service provider.

Leadership Vision and Business Philosophy

Under the leadership of **Ashish Raju More and Akshay More**, SK Solution is built on the principle that technology should be **accessible, efficient, and dependable**. Their goal is to support businesses in maintaining smooth IT operations while minimizing downtime and operational risks.

By combining technical expertise with hands-on customer support, the founders aim to establish SK Solution as a trusted name in Mumbai's growing IT services ecosystem.
