

## GYOASH Technologies: Sharad Dayma's Mission to Transform Digital Education

Published on 23 Jan 2026 | By IFI Correspondent

India's digital education landscape is undergoing rapid change, and **GYOASH Technologies Private Limited** has emerged as a purpose-driven and inspiring example within this transformation. More than a business success story, GYOASH represents determination, vision, and a deep understanding of the challenges faced by students and educators across the country.

Founded by four partners with diverse and complementary professional backgrounds, the company was built on a shared belief that technology should empower education—not restrict it to privileged spaces. Among the leadership team, **Sharad Dayma**, serving as Director, plays a key role in strategic direction, operational discipline, and long-term social commitment.

### From Personal Struggles to a Collective Mission

The foundation of GYOASH Technologies is closely tied to the lived experiences of its founders. Coming from modest backgrounds, they grew up in environments where access to computers, digital tools, and structured technical education was extremely limited.

Sharad Dayma and his partners experienced firsthand how the absence of digital education restricted confidence, awareness, and opportunity. These early challenges shaped their belief that technology is not a luxury but a powerful tool for empowerment—especially for students in semi-urban and rural India.

### Building GYOASH: Experience Aligned With Purpose

GYOASH Technologies was established by partners with strong expertise in technology, operations, and business management. From the beginning, the company focused on:

- Delivering reliable and practical digital solutions for educational institutions
- Maintaining quality, post-installation support, and long-term accountability
- Building trust with schools, colleges, and government institutions

Instead of chasing short-term profits, GYOASH invested in credibility and service reliability, helping it emerge as a trusted partner in the education technology ecosystem.

### Sharad Dayma's Leadership Philosophy

As Director, **Sharad Dayma** has strengthened operational clarity, ethical business practices, and sustainable growth within GYOASH. He believes that growth without impact is incomplete.

Under his leadership, the company has balanced business expansion with social responsibility, ensuring that technological solutions translate into meaningful classroom outcomes rather than remaining limited to infrastructure alone.

### **Digi Shiksha Abhiyan: Beyond Hardware Installation**

One of GYOASH's flagship initiatives, **Digi Shiksha Abhiyan**, reflects the belief that digital education is more than installing devices or smart boards.

The initiative focuses on:

- Strengthening digital classrooms in rural and semi-urban regions
- Supporting teachers in adapting to modern teaching methodologies
- Helping students build confidence in using technology effectively

This program transforms the founders' childhood challenges into real-world educational action.

### **GYOASH Innovation Foundation: Commitment Beyond Business**

To reinforce its social vision, the company established the **GYOASH Innovation Foundation (GIF)**, a non-profit initiative focused on inclusive education, skill development, and digital accessibility.

Key objectives of GIF include:

- Expanding access to education
- Running technology-enabled learning programs
- Supporting students who lack digital resources

The foundation clearly reflects GYOASH's belief that corporate success and social responsibility must grow together.

### **Navigating Challenges With Discipline and Trust**

GYOASH's journey has not been without obstacles. Entering a competitive technology market, building trust with institutions, managing logistics in remote regions, and ensuring consistent service quality demanded patience and resilience.

The company addressed these challenges through:

- Structured problem-solving
- Continuous learning
- A long-term, impact-oriented vision

Each challenge strengthened internal systems and reaffirmed the organization's purpose-led approach.

### **Measuring Impact Beyond Achievements**

GYOASH Technologies measures success not merely through expansion or recognition, but through real educational impact—enhanced digital classroom experiences, empowered teachers, and confident learners.

The nomination of **Sharad Dayma for the Business Icon Awards** stands as recognition not only of individual leadership, but of the collective vision of four founders committed to transforming digital education in India.

### **A Clear and Inclusive Vision Ahead**

GYOASH Technologies remains committed to a simple yet powerful goal: **enabling digital education for every student and ensuring that no child faces the limitations once experienced by its founders.**

Rooted in humility, experience, and clarity of purpose, the GYOASH journey demonstrates that when technology is applied with the right intent, it can shape a brighter future for classrooms across India.

### **Selected for Maharashtra's Prestigious Awards**

Recognizing his dedication and achievements, he has been selected for the prestigious “**Maharashtra Business Icon 2025 / Maharashtra Style Icon 2025 / Maharashtra Fashion Icon 2025**” awards.

This honour is being presented by **Reseal.in and India Fashion Icon Magazine**, celebrating Maharashtra's emerging entrepreneurs and artists.

The selection marks a proud moment not only for him, but also for the entire region.

### **Presence of Renowned Film Personalities**

The grand award ceremony will be graced by celebrated film personalities:

- **Ms. Varsha Usgaonkar (Bollywood Actress)**
- **Ms. Sonalee Kulkarni (Indian Actress)**
- **Ms. Prarthana Behere (Indian Actress)**

### **Event Hosted Under Expert Leadership**

The event is organized under the leadership of **Mr. Sudhir Kumar Pathade**, Founder & CEO of Reseal.in (Sure Me Multipurpose Pvt. Ltd.), who continues to provide a national platform for Maharashtra's rising entrepreneurs, designers, and creative talent.
