Nita Ambani’s Stylish Back-to-Back Looks at IOC Session 2026

Published on 10 Feb 2026 | By IFI Correspondent

Businesswoman and philanthropist **Nita Ambani** made a striking style statement at the **145th International Olympic Committee (IOC) session** ahead of the **Milano-Cortina Winter Olympic Games 2026**, showcasing two distinct fashion-forward outfits that blended luxe design with powerful presence.

As India’s sole representative on the IOC, Ambani’s wardrobe choices — a **tweed blazer** and a **furry jacket ensemble** — reflected both sartorial confidence and seasonal sensibility.

First Look: Classic Tweed Power Blazer

For her first appearance at the IOC session, Nita Ambani opted for a **sophisticated tweed blazer**, a piece that resonated with *power dressing* while remaining elegant and refined.

The blazer — from a high-end fashion house’s Spring-Summer 2026 collection — featured **structured tailoring, a classic silhouette, and rich texture**, giving her a polished and commanding aesthetic. Paired with **formal trousers and understated accessories**, the look emphasized sharp minimalism suited to an international leadership event.

Ambani completed this look with **delicate yet sparkling jewellery**, including statement earrings and brooches, adding a touch of glamour without overwhelming the ensemble.

Second Look: Chic Furry Jacket for Cooler Climate

In a second outfit later during the session, Ambani switched to a **black furry jacket**, layered over coordinated pants for a chic, winter-ready appeal.

This outerwear choice leaned into both **comfort and contemporary style**, balancing texture with sleek tailoring that maintained a cohesive overall look. The jacket was accented with a **distinctive brooch**, reflecting her penchant for luxe details in wardrobe curation.

Her grooming — subtle makeup with defined eyes and a glossy nude lip — ensured that the fashion took centre stage while keeping the look sophisticated.

A Blend of Elegance and Command

While Nita Ambani is often seen in traditional attire like sarees for cultural occasions, her IOC session outfits this week highlighted a **modern, cosmopolitan edge** that looked right at home alongside global leaders and dignitaries.

Her fashion choices at this high-profile international gathering underscore how influential figures are increasingly using **style as a form of communication**, blending elegance with perceived authority — a narrative that resonates well on diplomatic and cultural stages alike.
