

## Jacqueline Fernandez's Classic Bollywood Look in Soft Pink Anarkali

Published on 10 Feb 2026 | By IFI Correspondent

Bollywood actress **Jacqueline Fernandez** recently turned heads at a public appearance by embracing a look reminiscent of *old-school Bollywood glamour* — donning a graceful **pink Anarkali outfit** that blended classic elegance with contemporary flair. Her choice of attire drew praise from fans and fashion commentators alike for its nostalgic yet fresh appeal.

The pastel pink ensemble featured delicate embroidery and flowing fabric, evoking memories of vintage film heroines who made Anarkalis iconic on screen. With minimal yet tasteful jewellery and soft makeup, Jacqueline's styling underscored the outfit's romantic, feminine charm.

Jacqueline's choice of the Anarkali — a long, frock-style suit with traditional Indian roots — harked back to the glamorous costumes often seen in mid-20th-century Hindi cinema. By pairing this classic silhouette with modern tailoring and pastel hues, she created a look that felt both timeless and current.

The soft colour palette and flowy silhouette offered a refreshing alternative to more contemporary western outfits often spotted at such events, making her stand out in a crowd of fashion choices.

### **Style Notes: Minimalism Meets Tradition**

To let the Anarkali take centre stage, Jacqueline kept accessories understated — opting for subtle jewellery and elegant styling that complemented rather than competed with the outfit. Her hair and makeup were also kept soft and feminine, enhancing the old-Bollywood feel without overshadowing the contemporary edge of her look.

Her appearance at the event not only highlighted her sartorial versatility but also demonstrated how traditional Indian wear can be reinvented for today's fashion landscape — blending the best of heritage and modern aesthetics.

### **On the Horizon: More From Jacqueline**

Professionally, Jacqueline is gearing up for her next big release, *Welcome to the Jungle* — a film directed by Ahmed Khan and set to bring together a star-studded ensemble in mid-2026.

With her style choices capturing attention just as much as her upcoming projects, Fernandez continues to be one of Bollywood's most talked-about fashion icons — effortlessly balancing cinematic presence with sartorial sophistication.
